

Connect Group notes - The 45th anniversary

Getting started

- What were your highlights from the 45th anniversary celebrations?

Getting stuck in

Read some verses about God and the generations, Gen. 9 v.12, Gen. 17 v.7, Gen. 50 v.23, Josh 22 v.28, Ps. 78 v.4, Eph. 3 v. 21

- God is a generational God, what does this mean and suggest to you?
- In what ways can we pass on the story of God to the next generation?
- What are we actually passing on to the next generation? What should we be passing on?
- How can we ensure that what we pass on is good?
- What does it mean to become a first generation believer?
- What can we do to ensure we don't become 3rd generation people who lose what God has given us?

Getting personal

- What does it mean for you to become a first generation believer in this moment in time?
- How can you personally invest and influence for good the next generation?

Finish by praying for our church, give God thanks for these past 45 years and pray for Gods favour for the next.....pray for our children and young people....
Pray for our church in Albania, the church in Bulgaria, the church around the world...
Be open to God speaking to you about the church, if you sense He says anything email it in to Leon....
